

VORSTEINER *Wholesale*

Wholesale Account Application

Thank you for expressing interest in becoming an authorized Vorsteiner dealer. We rely on a network of respected retail and wholesale organizations to market our products throughout North America.

In order to understand who our prospective partners are, and to assist us in developing programs that best fit each organization, we ask that you take time to fill out the following form. Please be as detailed as possible in your answers. Vorsteiner carries the finest automotive aerodynamics and carbon fiber products for most European applications. Therefore, it is important for us to know as much as possible about our partners in order to ensure that the retail public receives the best service available.

Once you have completed the form please return it via fax or mail to our office. You will be contacted by a sales representative to discuss a program tailored to your market. No wholesale accounts will be established without this form on file. If you have any questions, please do not hesitate to contact us.

Application Date:
